Strategic partnership - Gold £5,000 per annum	
Date of application	

Please now email this completed form to membership@ideasnetwork2030.com
and you will be sent further details

By completing this form, I accept the terms and conditions as mentioned below

Ensuring an open and engaging dialogue

The Ideas Network 2030 (IN2030) was launched in September 2018 with the mission to create an informal framework for individuals, particularly from the centre-right of British politics, to engage in discussions about long-term trends and their implications for the UK and Europe. The network aims to connect various stakeholders, including politicians, business leaders, academics, and civil society, to drive change and nurture innovative ideas.

By registering to be a member of the Ideas Network 2030, or participating in our events, you are entering an agreement, for which all participants are requested to read and acknowledge the terms and conditions set out below.

Creating the right environment

The IN2030 organisers are committed to ensuring everyone can participate in an inclusive, respectful and safe environment. We want all members to have an enjoyable and fulfilling experience.

Attendees are solely responsible for their actions and we expect all members to:

- **Be constructive and contribute.** The network is built around ideas that strengthen Europe—its economies, institutions, and global role. Contributions should reflect a constructive, forward-looking view of Europe's future.
- **Be supportive.** Behave in a way as to create a safe and supportive environment for all participants, including the organizers, moderators, attendees and speakers.
- **Keep discussion respectful and grounded:** Healthy debate is encouraged but keep it constructive. Show respect and courtesy to other people and property during events.
- **Allow full participation.** Ensure that everyone has a chance to participate fully by affording other participants the opportunity to express their views and always be respectful to the views of others. Avoid personal attacks or unproductive arguments.
- **Respect privacy and build trust.** Treat what's shared as confidential unless clearly stated otherwise. Trust is what allows people to speak openly.

Membership and event attendance

- Members will be invoiced annually for the agreed sum depending on the level of their membership.
- All participants are required to register in advance for online or in-person events via the online registration system.
- Entrance to in-person or online events is at the discretion of the IN2030 organisers.

Breaches of these terms and conditions may result in refusal of membership of the Ideas Network 2030.

Thank you for helping to make this a welcoming and friendly network for all.
